Did you know that there is an amazing superhero called Super Spider? Super Spider is no ordinary spider because he has super powers! He has **eight long, thin legs** that he uses to **scurry at super speed**. Interestingly, he has **big, googly eyes** and a **cheeky grin**. Super Spider is **brave and daring** because he saves other animals from danger. Amazingly, he can shoot sticky webs that help him capture nasty animals. He is **kind** and helpful but also has a **cheeky grin**!
