Wombat Goes Walkabout

Today we are going to listen to the story
'Wombat Goes Walkabout' by Michael Morpurgo.

<https://www.youtube.com/watch?v=VXPxbBQodek>

Whilst you are listening to the story, think about the different animals and what they do.

For example, Wombat says:
"I dig a lot and I think a lot."

Describing action

This week we are going to use some of the ideas from 'Wombat Goes Walkabout' to help us write an Australian animal poem.

We are going to choose different Australian animals, describe them and what they do.

What type of words can we use to describe action or what something does?

Verbs and Adverbs

Verbs and Adverbs

For each animal in the story, I have made a note of the verbs used to describe what they can do.

For example:

Kookaburra – flies, loops the loop

Your task is to add some more verbs and adverbs to describe what each animal does so it makes it more interesting:

For example:

glides silently

flaps quickly

Planning sheet

Write them down on the planning sheet so you can use them later in the week.

Add some adjectives to describe the animal as well.

Australian Animal Planning Sheet
