

Plan for Week

This week we will be looking
at:
PREDICTION

Year 2 Reading

A recap...

Pip is there to help you to see
into the future.

She will try to help you to work
out what might happen next
based on what you have already
read and what you know about
that type of text.

What Might Predicting Pip Ask?

Predicting Pip might ask questions like these:

- What do you think will happen next?
- What do you think the character will say in reply to that?
- What do you think that this book will be about?
- How do you think the story will end?
- Do you think that this story will end in the same way as another story you know?
- Draw what you think might happen next.

Your task...

Read The Island
and answer the
questions.
The sheet is
attached.

Improving Your Reading with Predicting Pip: The Island

Once upon a time, a long while ago, there were four little people whose names were Violet, Sid, Gordon and Lee. They all thought they would like to see the world so they bought a large boat to sail across the sea. The boat was painted blue with green spots, and the sail was yellow with red stripes.

When they set off, they only took a small cat to steer and look after the boat. For the first ten days they sailed beautifully and found plenty to eat, as there were lots of fish. Everyone was happy and the cat managed the boat well.

After a time, they saw some land in the distance. When they came to it, they found it was an island with a stream running through the middle of it. It was perfectly beautiful and the only thing on the island was an incredibly high tree. When they had landed, they walked about but found, to their great surprise, that there were no people on the island at all. Violet told everyone that they should climb to the top of the tree to see if any people lived up there.

1. Which of these do you think Sid, Gordon and Lee are most likely to say to Violet? Tick **one**.

<input type="checkbox"/>	That is a great idea.
<input type="checkbox"/>	I am enjoying being on the boat.
<input type="checkbox"/>	Where is the cat?
<input type="checkbox"/>	Climbing the tree is a silly idea.
